# The Legacy of KCLAS

Kumaraguru College of Liberal Arts & Science, **established in 2018** is affiliated to Bharathiar University. KCLAS is an institution that was born out of a rich legacy, strong vision and great commitment of **Sakthi Group of Companies**. The magnificent campus and the edifice, enormous reputation, robust departments and more emerged from the dynamic vision of the Founder Chairman, Dr.N.Mahalingam, a visionary educationist. KCLAS is part of the Kumaraguru Institutions which includes **Kumaraguru College of Technology, KCT Business School and Kumaraguru Institute of Agriculture** and has exemplified in the inter-disciplinary approach.

## Liberal Arts Education at KCLAS

Liberal Arts Education blends different disciplines from sciences to social sciences, from business studies to literature and fine arts into a holistic academic canvas. The **vision** of KCLAS is to become a **progressive**, research focused Institution that instills passion for life-long learning and **mould young people** to impact the world. KCLAS offers an opportunity to gain **indepth knowledge** in one domain of your choice and gives a **broader understanding** across disciplines.

**KCLAS offers practical education for the change in global economy**

**Explore the learning experiences**  
endlessly fascinating

**Think out of the box**  
keep your career options open

**Hone your critical thinking skill**  
solve real-life problems

**Gain multidisciplinary perspective**  
know beyond one domain

**Learn to communicate**  
be a global citizen

KCLAS focuses on building Knowledge, Skills and Values required for the future through KCLAS Core, KCLAS Edge and KCLAS Edge+.

**KCLAS Core** is the fundamental disciplinary knowledge that is the foundation of an undergraduate education. This is gained through learning the courses designed by Bharathiar University which is the affiliating University of KCLAS.

**KCLAS Edge** offers the value addition to all students who are enrolled in the Institution. It enhances and enriches the interdisciplinary knowledge, builds future skills and nurtures the values of personal and global values.

**KCLAS Edge+** are choice based high value additions for highly aspirational students of KCLAS who aspire to transform their competencies by exploring, engaging and deep diving into their domain or in their futuristic goals.
