Study the Liberal Arts Alongside Your **Economics** Degree

Liberal arts education is a holistic approach to learning that encompasses a broad spectrum of disciplines. We require students to take foundational liberal arts courses offered in KCLAS, in addition to the economics related courses to cultivate understanding of societal dynamics, historical contexts, and cultural influences, enriching the analytical toolkit of economics. You will gain a holistic perspective, creativity, problem solving and a deepened awareness of the interconnected nature of economics within the broader human experience. Tailor your academic journey by selecting liberal arts courses aligned with your passions and interests.

Explore diverse domains beyond the boundaries of **Economics**

Entrepreneurship & Family Business	Environment	Fashion and Textiles	Wellness
History and Philosophy	Science and Technology	Public Policy and Governance	Music and Art
Global Culture & Languages	Empowering Community	Communication	Heritage
