

Curriculum Overview (2025–2026 onwards)

(As per Bharathiar University, SCAA Approved on 09.07.2025)

The **B.Sc. Psychology** program at KCLAS integrates scientific foundations of psychology with real-world applications. The curriculum emphasizes **interdisciplinary learning, research-driven exploration, and industry-aligned practices** to prepare graduates for diverse roles in mental health, education, and organizational settings.

Program Highlights

- **Outcome-Based Education (OBE)** with Continuous Internal Assessment (CIA).
- Skill-oriented **practicals in Experimental Psychology (I–IV)**.
- Integrated **Naan Mudhalvan employability courses** (Digital, Microsoft, and Professional Skills).
- Exposure to **Counselling, Industrial/Organizational, and Health Psychology**.
- Embedded **fieldwork, mini-projects, and online learning components (MOOC/SWAYAM/NPTEL)**.
