Open options that students may choose based on their career aspirations & learning Goals

Program Overview

The **B.COM & B.COM PA** program at KCLAS is designed to prepare students for both professional accounting careers and technology-driven finance roles.

Students build a strong foundation in:

- Financial Accounting & Costing
- Corporate Law, Taxation & Auditing
- Banking, Financial Markets & Investment
- FinTech, AI in Finance & Data Analytics
- Entrepreneurship & Business Strategy

Through the **Edge+ model**, students benefit from:

- Professional micro-credentials
- Industry immersions
- Global learning exposure
- Leadership & outward-bound training
- Career & certification preparation

This dual-track system allows students to choose between:

- Professional Accounting (CA / CMA / ACCA)
- Technology-enabled Finance & Business Analytics
