I Growth of KCLAS

KCLAS, a beacon of innovation and growth in the world of higher education, has experienced a phenomenal rise since its inception in 2018.

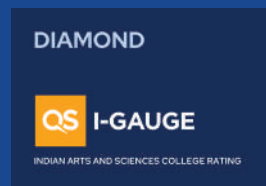

From its modest origins, with a mere 132 students seeking knowledge within its walls, our institution has metamorphosed into a formidable bastion of learning, now hosting over 1500 vibrant young minds in its corridors and halls. This meteoric rise is a resounding declaration of the KCLAS community's unyielding dedication to the relentless pursuit of excellence in education. This transformative journey extends beyond the expansion of our student body; it permeates every facet of the institution.

KCLAS academic portfolio has advanced to an array of 19 programs, encompassing a spectrum of undergraduate, postgraduate, and PhD programs. All programs are affiliated with Bhatthar University, Coimbatore.

Unique Educational Experience at KCLAS

At KCLAS, we are committed to foster the development of T-shaped individuals who possess a deep understanding of a particular field and a broad understanding of various disciplines and skills.

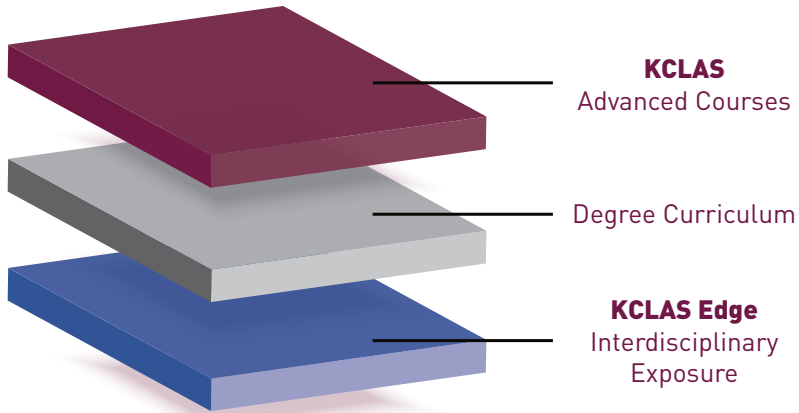

Our unique approach encourages students to delve deep into their chosen field of study while also exploring interdisciplinary subjects, thereby preparing them to excel in a diverse and rapidly changing global landscape.

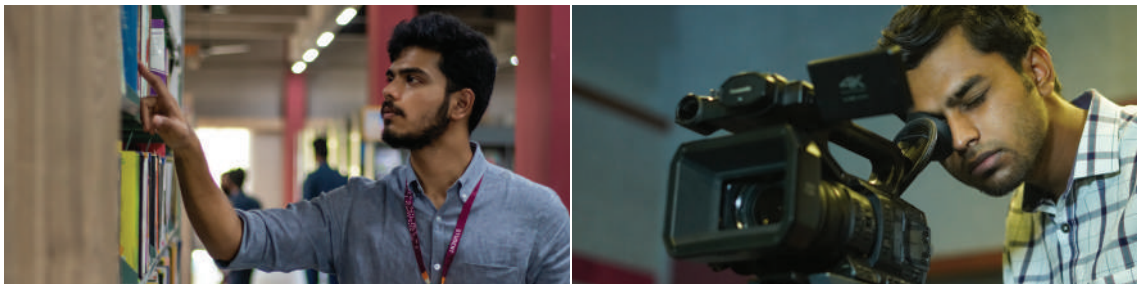

An exceptionally designed educational approach that is envisioned to prepare students for success in the modern world. This approach is characterized by a focus on skills such as critical thinking, problem-solving, creativity, and communication, which are considered to be essential for success in today's rapidly changing and technologically advanced society.

Rich And Holistic Sandwich Model

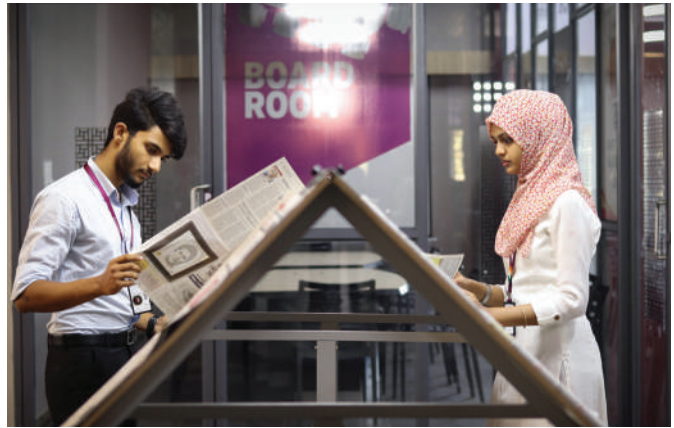

The cornerstone of our approach is the innovative KCLAS Sandwich Program, which is extended to every student enrolled in the three-year undergraduate program. This program is designed with three layers – the KCLAS Core, KCLAS Edge, and KCLAS Edge+ – each tailored to maximize your academic and personal growth. The KCLAS Sandwich model is the backbone of your enriching learning experience, providing you with a comprehensive and holistic education that equips you to tackle the challenges of the modern world.

Our Partners

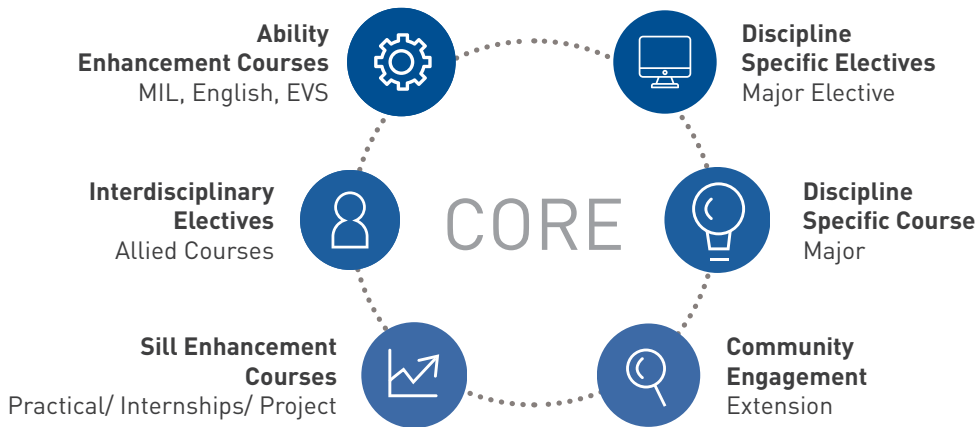

The Core or Major courses are designed to offer comprehensive understanding of the academic discipline that the students will graduate. The core/ major includes electives or specializations related to the discipline.

Program Structure
06 Semesters
140 credits

The courses in a bachelor’s program provide a foundation of knowledge and skills in the field of study that is necessary for students to succeed in their major specific courses and in their future careers.

Interesting learning methods empower students to take ownership of their own learning, and to provide them with the skills and knowledge they need to succeed in the real world.

- Project-based learning
- Inquiry-based learning
- Master Classes
- Problem-based learning
- Workshops
- Self-directed learning
- Collaborative learning
- Field Exercises
- Simulation

Multidisciplinary Learning

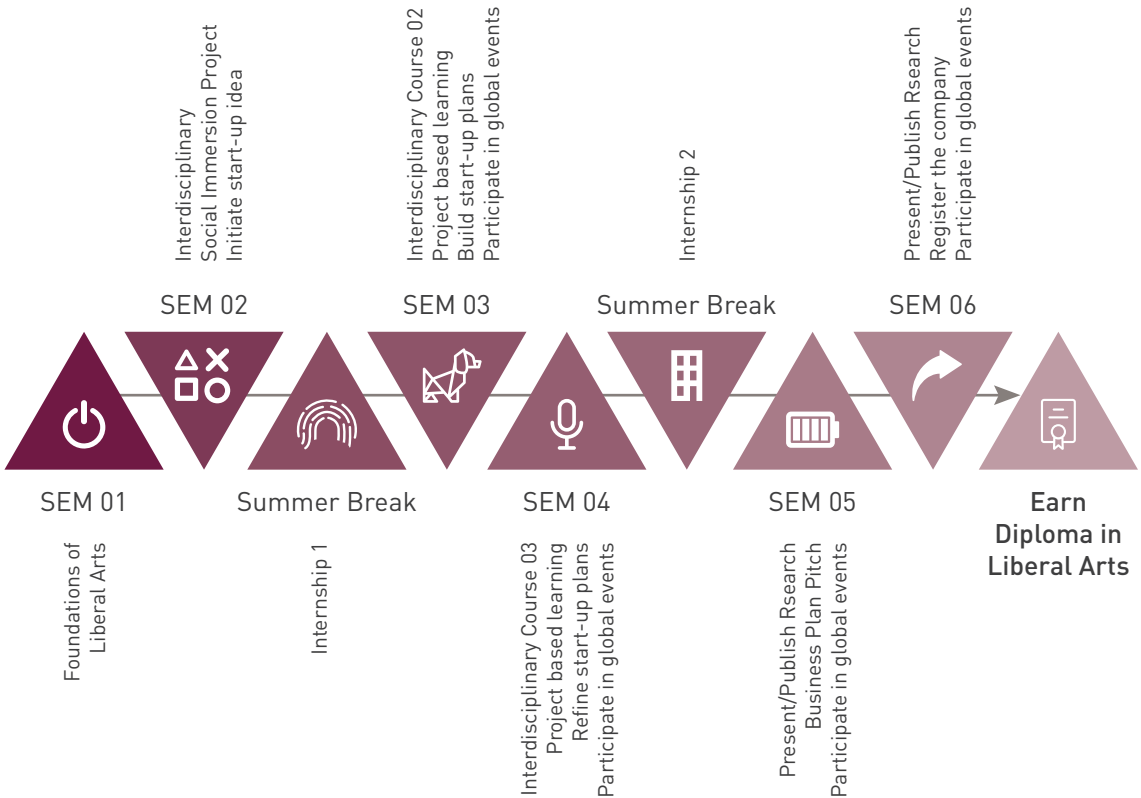

At KCLAS we recognize the transformative power of multidisciplinary learning and exposure, fostering a dynamic educational environment that goes beyond conventional boundaries. Our commitment to excellence is reflected in the holistic approach to education, emphasizing the significance of interdisciplinary collaboration, creative exploration, and real-world application.

Earn a Diploma in Liberal Arts

Engage in the rich tapestry of interdisciplinary courses, community projects, internships, research and entrepreneurship to enrich wider knowledge and exposure. Students will have the option to choose courses and modules based on interest and earn required credits from Semester I to VI and earn a Diploma in Liberal Arts certified by SEA, in addition to the undergraduate degree

A Roadmap for the Diploma

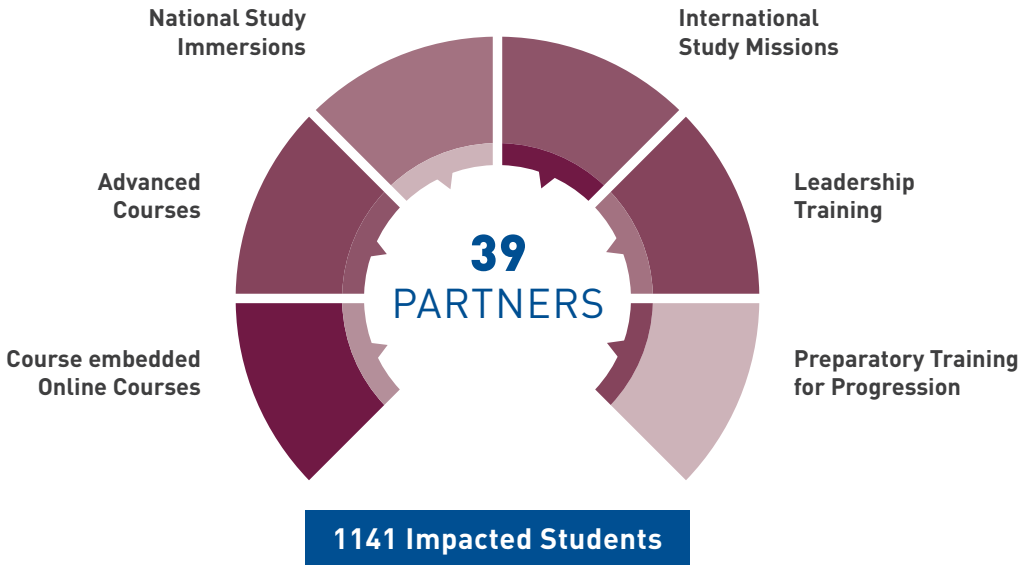

Empowering our students with a transformative educational experience, we deliver advanced courses forged in collaboration with industry governmental and top academic Universities. This powerhouse alliance propels our curriculum beyond conventional boundaries, infusing it with real-world relevance and cutting-edge insights. These dynamic courses serve as a catalyst, propelling the students towards mastery in their fields, and emerge as knowledgeable professionals.

Diverse Pathways to Success

These pathways are carefully crafted to align with the demands and trends of the current job market, ensuring that our graduates possess the skills and knowledge necessary to thrive in their chosen fields.

Choose Your Pathway!

Dive into the realm of endless possibilities! The power is in your hands to chart your academic destiny. Choose your pathway of study and unlock a world of opportunities and shape your educational journey with purpose. The decision is yours — seize it!
